yeah - I'd like to have it for the file. No, we don't need to go any further re: discussing with RM.

Subject: SAB Member Agreements

Hi Bristow,

Rick has provided his written approval to proceed with drafting the SAB agreements without requiring insurance. Do I need to confer with Risk Management (and if so, who is the contact) or does Legal do this?

Note: Rick simply wrote "ok" on a printed copy of my e-mail to him requesting confirmation to proceed without the insurance - do you need a copy of this for your file? If so, let me know.

Thanks,
Valerie
